

NEIGHBORHOOD PRIDE GRANT APPLICATION

Grants of up to \$5,000 will be awarded to groups of neighbors with a large project that they would like to complete. These grants will only be awarded to projects that will provide lasting benefits to the neighborhood as a whole. Some examples of potential projects for this grant include:

- Landscaping and beautification
- Curbs, gutters, sidewalk or alley improvements
- Historic preservation
- Cleaning up blighted areas
- Lighting

In order to qualify for a Neighborhood Pride grant, you must be able to demonstrate any combination of the following:

- Matching funds from the neighborhood
- In-kind or donated services from the neighborhood
- An active association that is registered with the City of Grand Junction
- A majority of your neighborhood actively involved in the project
- The input of local schools, parks, or other nearby affected facilities

Applications can be submitted at any time of the year, and there is no application deadline. We will contact you with any questions and to let you know if your grant has been funded. Please allow at least 30 days for your grant application to be processed because it must be reviewed and approved by staff, and a grant agreement must be executed. Plan ahead!
