

**GRAND JUNCTION CITY COUNCIL  
CITY HALL AUDITORIUM, 250 NORTH 5<sup>TH</sup> STREET  
AGENDA**

**WEDNESDAY, DECEMBER 20, 2000, 7:30 P.M.**

**PUBLIC HEARING – ADOPTING THE 2000 INTERNATIONAL FIRE CODE AND RELATED FEES**

The 2000 edition of the International Fire Code is part of the 2000 International Code set, currently being adopted by the City. The 2000 Codes are written to be well-coordinated so that the provisions do not conflict. The compatible sections of the International Building Code and International Fire Code contain identical language. There is a minor new amendment included concerning looped water lines. The amendment will provide the Fire Department with more flexibility in enforcement of looped water line requirements for new developments. All other Code amendments in this ordinance were previously adopted as part of the 1994 Uniform Fire Code, and are carried over to be part of the 2000 International Fire Code.

Mayor Kinsey opened the public hearing at 9:15 p.m.

Hank Masterson, Fire Inspector, reviewed this item and recommended its approval.

Councilmember Terry asked if this is to be adopted by the County as well. Mr. Masterson stated the Rural Fire District will be asked to approve it and then it will go to the County Commissioners.

There were no public comments. The public hearing closed at 9:16 p.m.
