

### John Howard GJFD Employee of Month

John's tireless dedication in assuring that the best emergency medical services possible are provided to the citizens of Grand Junction is the basis for his nomination for the GJFD Employee of the Month. John has improved the level and quality of EMS training received by GJFD personnel, established a quality assurance monitoring program, and secured grant funding for a new ambulance and cardiac monitors. John is a member of the Mesa County EMS committee, the state northwest region emergency trauma advisory council (RETAC), and the state northwest region homeland security EMS subcommittee. John has a passion for his work that is unsurpassed.
