How Do I Get a Client Number and Family PIN?

If you have registered with us in the past, you should already have an account in our system. If you are not sure whether you have an account, go to My Account, click on Forgot My Password and enter your e-mail address. If you are already in our system and we have your e-mail address on file, your numbers will be e-mailed to you immediately. If you are not in our system, go to My Account and click Create New Account. Your new Client Number(s) and Family PIN will be e-mailed to you within one - two business days. If you need help or if you would prefer to create your account over the phone, please call our Leisure Services Representatives at (970)254-3866.

Is It Safe To Use My Credit Card When Registering With **FunnLinkExpress**?

We have taken many steps to ensure the security of your transaction. Some of these steps involved adopting industry standards. You will see the padlock symbol indicating that your data is secure. This symbol is located at the bottom of the page for My Basket and My Account selections. The **FunnLinkExpress** system employs 128-bit encryption, the highest form of encryption generally available to the public.

Why Are Some Classes Not Available For On-Line Registration?

While browsing our site, you may come across some classes that are not available for Internet registration, due to their complex registration procedures and/or requirements. If the class you are interested in does not have an "ADD" button, the class is not available for online registration. Please call our Leisure Services Representatives at (970)254-3866.
