**Contact:** Captain John Hall GJFD 270-0355  
**Date:** 10-2-08  
**Location:** Lincoln Park Barn

**The Grand Junction Fire Department is helping host the "Hazmat along the Rockies" program October 3-5, 2008. The program covers chemistry, static electricity and alternative fuels information needed for hazardous materials responders. The class is very interactive and the best time to see and film some of the demonstrations is Friday afternoon or Saturday morning. Class starts at 8:30 AM on Friday. The lead instructor is Todd Skoglund from Signet North America and participants are from local agencies as well as around the state. For more information check out the web site at [www.signet-experience.com](http://www.signet-experience.com)**
