

Las Colonias Amphitheater Paratransit Service

While all GVT buses on the fixed route system are wheelchair accessible, not everyone is able to utilize the fixed route system. Paratransit service is available for people with mental and physical disabilities who are unable to utilize GVT fixed route system. Only people who have been verified as eligible to use paratransit may use this service. Paratransit rides must be scheduled in advance and origin to destination service is provided for qualified paratransit riders.
