Did You Know?...
Sherwood Park is located in the heart of Grand Junction, just off North Avenue and 1st Street. This amazing neighborhood park is almost 14 acres and has two picnic shelters, a playground, restroom, benches, shade, and plenty of open space to play, walk, and relax. The park even has an enthusiastic group of neighbors and business owners called Friends of Sherwood Park that help Parks and Recreation develop plans for park improvement and activities. Check out their Facebook page at https://www.facebook.com/friendsofsherwoodpark/

This months scavenger hunt is sponsored by Brown & Brown P.C.
None of this would be possible without the amazing support and help of our community sponsors!
