APPLICANT/OWNER RESPONSIBILITY

PAYMENT Agree to pay monthly for the utility services rendered by the City of Grand Junction. Services can include water, sewer, irrigation and trash. Charges will be made at the regularly established rates for the class of service applicable to the applicant.

DELINQUENCY Payment for services is due immediately upon billing and shall be delinquent if not paid by the due date on the bill. The City may disconnect service on delinquent accounts not paid after the due date. Customers must bring current all delinquent charges prior to services being restored. All payment arrangements must be approved by the landlord/property manager.

REASONABLE ACCESS The applicant/owner shall permit the City's authorized representatives to enter on the consumer's premises at all reasonable times for the purposes connected with rendering, billing or disconnecting utility services.

TERMINATION OF SERVICE The applicant/owner agrees to be responsible for the payment of utility charges incurred at these premises until their responsibility is terminated in one of the following ways:

1. By verbal or written order from the applicant or the landlord/property manager.
2. By the City's termination for lack of payment, as outlined previously.
3. Upon completion of an application for services, at the location, by another party.

Applicant warrants that all information supplied in this contract is true and correct and understands that false and misleading information shall be cause for the City to deny or cancel service and demand immediate payment of any amounts due.
