“We are hosting this family-friendly event of Get to Know Your City to include aspects that are fun and informative, kicking off the summer season with a splash near the Dos Rios Splash Pad and the Bike Park at Dos Rios Park,” said City Manager, Mike Bennett. “In addition to displays with information about city projects, the event serves as a way for community members to learn more about local government through hands-on activities.”

“Theres something for everyone at this event whether you’re learning about city services, wanting more education on safe cycling, or visiting the Touch-A-Truck stations,” continued Bennett. “The Splash Pad which opened near the end of the 2024 summer season, is now open and welcomes families to attend and enjoy the feature.”
