GRAND JUNCTION HOSTS COFFEE WITH THE CITY MANAGER ON MAY 29, 2025

GRAND JUNCTION, Colo. May 20, 2025 – The City of Grand Junction will host Coffee with the City Manager on Thursday, May 29, 2025, at 7:30 a.m. at Fire Station 3 (582 25 ½ Road). These events are an opportunity for residents to have a conversation with the city manager and members of city staff, to learn about city related projects and become more familiar with local government.

For the May meeting, City Manager Mike Bennett and Mayor Cody Kennedy will share an overview of city services and City Council. The event is another way for local leadership to listen, learn, and better understand the community's priorities.

Residents are encouraged to attend the event for a cup of coffee and conversation. Questions about recent projects or initiatives are welcome. City hosted events and information are posted to the [City Calendar](#) at GJCity.org
