

Orchard Mesa Community Center and Lincoln Park-Moyer Pool COVID-19 Policies*

*These policies are subject to change at any time based on guidelines and directives issued by Mesa County Public Health.

- Patrons exhibiting symptoms of COVID-19 or who have been in direct contact with suspected cases must not enter.
- Adults 65 years and older and those at higher risk are encouraged to swim during designated lap swim times when there are fewer patrons in the facility.
- Properly fitted and worn masks are required at all times when indoors for all guests ages 11 and up, unless physically in the pool water. Masks must cover the mouth and nose.
- Guests must remain six feet from non-family members at all times, including in the water.
- Pool facility capacity is limited in accordance with Mesa County Public Health directives.
- In the event capacity is reached, guests will be limited to two hours of swim time.
- All non-swimmers count toward facility capacity, therefore daily admission is required for all guests entering the facility.
- Swim aides such as kickboards, fins, paddles, and pull buoys will not be available.
- Facility-provided lifejackets will be sanitized after each use. There is a limited quantity of lifejackets due to sanitization requirements, so non-swimmers are encouraged to provide their own.
- Deck furniture is sanitized after each use, and available furniture has been minimized to promote physical distancing. Guests are prohibited from moving furniture.
- Pool staff use a variety of cleaning chemicals to sanitize surfaces, including chlorine bleach solution that can potentially bleach fabric. Pool management is not responsible for damaged items.
- Adults are responsible for ensuring minors abide by all COVID-19 policies, and must remain attentive to children in their care.
