Sales Tax

Sales of Coins, Precious Metal Bullion and Numismatic Collectibles

On January 5th, 2011 Grand Junction City Council adopted Ordinance No. 4449 which exempts from sales tax the sale of coins, precious metal bullion and other numismatic collectibles.

“**Coins**” and “**Precious Metal Bullion**” means monetized bullion or other forms of money manufactured from gold, silver, platinum, palladium, or other such metals now, in the future, or heretofore designated as a medium of exchange under the laws of this state, the United States, or any foreign nation as defined by Colorado Revised Statute 39-26-102(2.6).

“**Numismatic Collectibles**” includes paper money (such as bank notes) coin-like metals and items used in place of currency and securities. This also includes stocks, bonds and certificates when they are held, sold or transferred as collectables.

This exemption does not include jewelry or other gold and metal collectibles that are not monetized bullion or other forms of currency.
